## A MESSAGE FROM Councilman Anthony T. Hairston

**Dear Ward 10 Family:**

As we are in the midst of the holidays, I want to not only reach out to you with words of season's greetings but to urge you to stay safe this holiday season. As always, the residents of Collinwood, St Clair-Superior, Glenville, Euclid Park and Nottingham are my first priority.

2020 has been a challenging year, but I am proud of how we have banded together to help our fellow neighbors and offer many community-facing programs in a different way than we have before. Events like our **Halloween Drive-in and Voter Registration drive** have been huge success for the Ward. Two different **census-outreach projects offered by Famicos Foundation and Greater Collinwood Development Corporation** helped ensure a complete count of our citizens. But it is you, the resident, who I cannot thank enough for ensuring these programs continue during a much different season.

At the **Northern Ohio Recovery Association (NORA) center**, thousands of people received **free pantry items**, toiletries, and produce over the year. In addition, hundreds of needy individuals received turkeys this year to bring a little light to their Thanksgiving meals. Rest assured, residents can still come by on the third Monday of the month for pantry items and the third Friday for fresh produce. Meanwhile, residents in the **senior program at Five Pointe Community Center** continue to receive pre-packaged meals several times a week. Five Pointe also continues to host its pantry and produce programs each month.

Furthermore, I'm proud to announce that

***"I continue to urge you to not only check on loved ones, but go the extra mile to make sure your neighbors in need feel as if their community has their backs."***

**Famicos, in conjunction with a grant from the Cleveland Foundation, delivered thousands of dollars to small businesses in our area.** My office will continue to work with our partners to ensure more aid for small business relief in the challenging times ahead.

I continue to urge you to not only check on loved ones, but go the extra mile to make sure your neighbors in need feel as if their community has their backs. And, as we look to the light at the end of the tunnel on this terrible disease, please know that our best fight against this pandemic is to continue to follow guidelines from health officials – wash your hands, wear a mask, and practice social distancing at all possible times.

Take care of yourselves and each other. But, above all, be safe.

Sincerely,

**Anthony T. Hairston**  
Ward 10 Councilman - City of Cleveland
