A Message from Councilman Kris Harsh

Dear Friends and Neighbors,

In my first year on Council I’ve had a chance to work on a lot of issues that are important to the long-term health and viability of Old Brooklyn. None have been as important to me as the door to door housing survey I began in the spring of 2022.

In the first year I was able to survey over 2,500 houses and provide helpful information to hundreds of homeowners. The results of the first year are:

- You might have received one of my letters already! I want to reassure everyone that I am not sending these issues directly to Building and Housing for enforcement. I want to work with every homeowner who needs or wants a hand.
- However, a majority of these concerns are on the rental housing in our community and I fully expect every investor in Old Brooklyn to hold themselves to the highest standards of property management.
- As a community, we will thrive when our housing is well maintained and we will struggle when it is not.

I still have nearly 7,000 parcels to survey so I will be out there again starting in the spring. My hope is that by the time I finish each street in 2025 we will see more investment in Old Brooklyn homes than we have seen in many, many years. Together we can ensure that Old Brooklyn is a great place to grow!

Regards,

Kris Harsh
