

# Are you spooked by stories about lead safety?

Get answers to your questions about  
Lead Safety in Cleveland

## Lead Safe Resource Fair

**Saturday October 26,  
2024 11AM-3PM**

Location:

St. Ignatius of Antioch Elementary School Gymnasium. 10205  
Lorain Avenue (enter from the parking lot off Lorain)

## What is a Lead Safe Resource Fair?

Lead Safe Resource Fair is an opportunity for citizens to learn more about Lead Safety directly from the agencies and organizations that manage Lead Safety programs. The focus is on parents, caregivers, landlords, tenants, service providers.

## What organizations will be participating? (partial list)

**Black Child Development Institute** -- child care lead safety

**Bright Beginnings** -- Case management for families who's children have elevated blood lead.

**CHN Housing Partners** -- Financial support for landlords seeking a lead safe certificate.

**Cleveland Lead Advocates for Safe Housing** -- lead safe info, Sign up for "Tell your story" and gift card give away (while supplies last)

**Cleveland Water Department** -- Lead pipe identification and testing.

**Cuyahoga County Welcome Center** -- housing and support services for immigrant families

Fair Shake Legal Services -- legal rights to lead safety.

**Neighborhood Family Practice** -- lead related health info in multiple languages, sign up for child lead test appointment

**Northeast Ohio Black Health Coalition** -- lead safety and nutrition information.

**United States Environmental Protection EPA** -- Lead safety information in multiple languages

Sponsored by Cleveland Lead Advocates for Safe Housing
