Dear Records Archivist:

The City Records Commission of Cleveland met on July 18, 2022. The Commission received, considered and approved a proposed Records Retention Schedule (RC-2) from Cleveland City Council. For your Program's review and approval, please find attached the following completed form:

- RC-2 from City Council, City of Cleveland: discretionary project applications

I will note that this supplements and amends the existing 2015 records schedule of City Council to add an additional records series under the "Policy/Research Division" section of the RC-2 that was approved by our Commission on July 23, 2015, and is currently utilized.

Upon your approval, please forward this RC-2 to the Auditor of State's Records Officer. A return copy of the approved form to the undersigned Secretary of the City Records Commission is appreciated. Once all signatures have been affixed, the City Records Commission and the originating office listed above will retain permanent copies of this RC-2 to document the legal disposal of public records.
